GAGE COUNTY GOP

LEADERSHIP OVERVIEW | SEPTEMBER 27, 2026

A voter resource to save and share

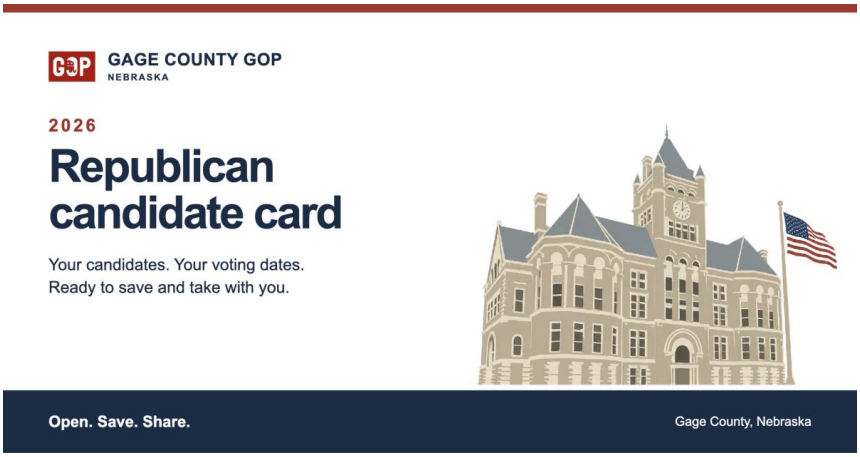

PROJECT CONTEXT

Two related projects are underway. **partyreveal.com**, the non-partisan party affiliation project, is being developed as a separate site from gagecountygop.org. It covers all candidates and identifies their confirmed party affiliations.

PROJECT PURPOSE

The parallel GOP webcard is a Republican candidate reference designed to be added directly to the Gage County GOP website and shared through social media. It is Facebook-ready.
